

IKE

Bay – Gelding – 17.2hh – 2013

Everdale X Florestan

Ike is a super talented horse with impeccable breeding and an incredible talent for the higher levels.

This stunning boy has 3 gorgeous paces with an exceptional walk and canter. He is responsive and reactive to the rider's aids and always gives 110%.

Ike has competed up to Elementary level with scores up to 72%. He is established at Medium level and has started his changes, working pirouettes and half steps. He hacks and loves his pole work too.

This is a seriously talented horse who would make a fantastic junior/young rider horse or for someone looking for a talented horse to continue training through the levels.
