

FRANZ

Bay – Gelding – 17hh – 2013

Frankziskus X Londonderry

A stunning gelding with great breeding and a really trainable temperament making him perfect for someone looking for a horse either to continue training through the levels or start back at Prelim again.

Franz has 3 lovely flowing paces and a super compact body making the collection work easy. He is currently training Novice/Elementary level and he loves learning new things. He has easy leg yields and has started on his simple changes.

As with all our horses, he hacks weekly and loves it! He also really enjoys his pole work too alongside his usual training.
